

# ECO-FRIENDLY CAGE ENRICHMENT

## GO GREEN - ALSO WHEN IT COMES TO CAGE ENRICHMENT

Disposable enrichment in the cage environment should not come at a cost to the environment. That is why Datesand's disposable enrichment range is made from 100% recyclable materials.

You can be confident that in cage results will be identical and a full Certificate of Analysis is available for every batch

Mouse Smart Homes, Play Tunnels and Sizzle-Nest are made from 100% recycled paper pulp.

Mouse Smart Homes 20-CS3CSSH

Did you know that for every 1000 kg of recycled paper we utilize, we avoid the use of:

- » 17 trees
- » 1440 litres of oil
- » 2.3 cubic metres landfill
- » 4000 kW energy
- » 26500 litres of water

Play Tunnels 20-CS3BXXX
